

FLÅMSBANA®

The Flåm Railway

You can be assured that you can travel with the Flåm Railway in accordance with the norwegian governments infection control advice.

What we are doing

The most important measures are not noticable for you as a guest.

We are cleaning and treating contact surfaces frequently with disinfectant and long-acting remedies recommended by WHO.

Ticket sales are reduced so that you can keep distance to other guests.

Our measures and routines are continously updated in accordance with Vy and NIPH's guidelines.

This is your responsibility

Everyone must contribute in order to ensure safe travel.

Keep distance to other guests, especially when boarding and disembarking the train.

Do not travel if you feel unwell or have any suspicion of being infected by Covid-19.

Use the elbow or a hankerchief for coughing or sneezing.

Remember good hand hygiene.
